

Proposed points for discussion

1. What challenges does the road transport sector experience in promoting decent work and productive employment with respect to the evolution of the employment relationship?
2. What are the most pressing issues pertaining to safety and health in the road transport sector and how are they being addressed by ILO constituents?
3. What solutions could be identified to ensure decent work for: (a) passenger; and (b) freight transport workers?
4. What good practices can be identified to promote social dialogue in the road transport sector?
5. What should be the recommendations for future action by the International Labour Organization and its Members regarding the promotion of decent work and productive employment in the road transport sector?
