 - A. States which have settled their 2019 contributions in full.
 - B. States which have paid part of their 2019 contributions.
 - C. States which have made no payments but have received credits towards their 2019 contributions.
 - D. States which have made no payments, nor received credits, towards their 2019 contributions.
 - E. Amount due by States when they ceased to be Members of the Organization.
2. Appendix II gives details of those member States which, at 28 February 2019, are two years, or more in arrears and which have lost the right to vote under article 13(4) of the Constitution.

Assessed contributions for 2019

3. Total assessed contributions for 2019 amount to CHF380,298,200 the same level as in 2018. Section A of Appendix I lists member States which, at 28 February 2019, have settled all contributions due, through payment and through credits received.¹ Fifty member States (with 2019 contributions of CHF95.5 million, representing 25.12 per cent of assessed contributions) were in this position, thirty of which paid their contributions before 1 January 2019. At the corresponding date in 2018, CHF79.8 million, or 21 per cent of 2018 assessed contributions, had been received from 50 member States, 29 of which had paid their contributions before 1 January 2018.
4. Section B lists 21 member States that have made partial payments against their 2019 contributions. At the corresponding date in 2018, 23 member States had made partial payments against their 2018 contributions. Section C lists States which have made no payments against their 2019 contributions, but which have received credits towards their contributions for the year, while section D lists States which have made no payments and have received no credits. One hundred and sixteen States are shown in the latter two sections, compared with 114 States in a similar position at the corresponding date in 2018.
5. At 28 February 2019, total payments and credits received against 2019 contributions thus totalled CHF105.3 million or 27.7 per cent of assessed contributions, as against CHF83.4 million, or 21.9 per cent at the corresponding date in 2018.

¹ Amounts credited against 2019 contributions represent the distribution to eligible member States of incentive scheme credits and net premium earned in prior period. Details are given in note 1 to Appendix I.

Position of member States in relation to article 13(4) of the Constitution

8. A table listing member States that had lost the right to vote on account of being two years or more in arrears on 28 February 2019 is attached as Appendix II. The total of 30 member States in this position compares with 24 at the corresponding date in 2018, 30 in 2017 and 27 in 2016. A further nine member States have arrears of contributions that exceed the amount of the contributions due from them for the past two full years (2017–18) but are permitted to vote in accordance with the provisions of article 13(4) of the Constitution under financial arrangements approved by the International Labour Conference.
