

Committee on the Application of Standards

Date: 20 May 2021

Governments concerned are invited to submit written information on serious failure to report by 20 May 2021.

▶ Information on cases of serious failure to respect reporting and other standards-related obligations supplied by governments

Liberia

Failure to reply to all or most of CEACR Comments, failure to supply reports for the past five years on unratified Conventions and Recommendations and serious failure to submit instruments adopted by the Conference to the competent authorities

The Government has provided the following written information.

1. Since I (Cllr. Charles H. Gibson) took over as Minister of Labour, Republic of Liberia, it has come to my notice that we as a Government has not reported on ratified Conventions for a number of years now. I have therefore decided to give this a serious consideration. and premise upon this, I approached the ILO Abuja Country Office which covers Liberia to see what support is available. And against this backdrop, the Abuja Country Office agreed to support us through the recruitment of a National and an International Consultant to ensure that the backlog of pending reports as well as the one for 2021 are reported on.
2. Thus, I wish to commit the Ministry of Labour through my leadership to ensure that all pending reports and and the ones for 2021 are reported on before the end of July, 2021.
3. Furthermore, the ILO has also agreed to build capacities of the relevant authorities holding the required information to be reported on to ensure that going forward, reports are submitted in a timely manner.
4. All of these activities will be financed by the ILO Abuja Country Office.
