The World of Work Show: How to ensure a human-centred recovery (Monday 13 December at 17:00 (CET))

The ILO World of Work Show brings you a mix of live interviews and videos on the major challenges and opportunities facing the world of work. This final episode of 2021 looks back at the achievements of the historic 109th Session of the International Labour Conference. In particular, the show will examine the long road ahead to ensure a human-centred recovery from the COVID-19 pandemic. Focusing on the ILO's Global Call to Action, guests will discuss the key role played by social protection in keeping workers and enterprises safe in these challenging times. Post your questions to our experts and guests on Twitter with the hashtag #WorldOfWorkShow or in the comment section if you are watching on LinkedIn or Facebook.
